DENIAL OF STATE ENGINEER

deny

This is to certify that I have examined the foregoing application, and do hereby ~~grant~~ the same, subject to the following limitations and conditions:

This application is hereby denied on the grounds that domestic wells are provided for under NRS 534.010 and NRS 534.180 without the requirement of a permit and to grant such a permit within the Las Vegas Valley Artesian Basin would infer the granting of some right or assurance that the applicant was not otherwise afforded such as regulation of other withdrawals to maintain water levels. The granting of a permit in this instance, where the applicant cannot demonstrate the ability to gain right of entry to the land, would not be in the public interest and welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed.....cubic feet per second.....

Actual construction work shall begin on or before.....

Proof of commencement of work shall be filed before.....

Work must be prosecuted with reasonable diligence and be completed on or before.....

Proof of completion of work shall be filed before.....

Application of water to beneficial use shall be made on or before.....

Proof of the application of water to beneficial use shall be filed on or before.....

Map in support of proof of beneficial use shall be filed on or before.....
